By [Nadia Shah](#) April 23, 2013

Z Hotels has ventured out of the capital with its latest offering, Z Liverpool, which opened its sleek new doors to urban travellers on Monday. Set steps away from tourist hotspots, like the Museum of Liverpool, the four-storey hotel is a refurbished office building overlooking Liverpool's financial district.

Its 92 rooms boast modern design and hand-crafted beds to sink into for some Z's after a day of shopping till you drop (almost) at Liverpool ONE – a short walking distance away. Other features in each room are a wetroom with a power shower and complimentary Thierry Mugler toiletries, free Wi-Fi and a 40" high-definition television that can screen movies or play music from your gadgets and has free access to Sky Sports and Sky Movies.

Kick back each evening with a glass of wine and cheese at Z Café, during the hotel's complimentary wine and cheese hour for guests. The café is located on the ground floor and also serves fresh bread, light snacks and ciabattas. Its drinks list is extensive, with champagnes, beers, coffee, smoothies, and soft drinks.

Rooms priced from £40 per night.
